

## CORPORATE HEALTH SCREENING

ETERNITY is a world leader in creating and delivering corporate wellness strategies, from health education and promotion to comprehensive health screening programs. At ETERNITY we provide health screening for some of the largest corporations. We can provide our services at one of our medical institutes or at the convenience of your own location.

Employee health screening forms an integral part of a corporate "wellness" strategy implemented nowadays all around the world.

At Eternity we therefore allow you to manage your Health as you manage your Company with the "P&L of your Health" (please see sample page below).
